

USING nb.no/nbsok Digitized bygdebøker on Norway's National Library Website

- ◆ Search: nb.no/nbsok
- ◆ On the left click on the picture for "Bøker." (Or use the bar above the picture.)
- ◆ On the left "Vis alle objekter" appears. (Search all items.) Move the blue button to the left. (Not necessary if using a virtual private network.)
- ◆ In the search box for "Søk etter boktittel" (Search for a book title), enter a title or kommune name for the book you want. Other choices are for forfatter (author) or person/sted/tema (person/place/topic). Ignore the dropdown menu and hit "return" or "enter" on your keyboard.
- ◆ All the results should show "Tilgang for alle" (Available for all) at the bottom of each book shown. Choose the volume you want to research.
- ◆ Task bar (black): Tilbake til trefflisten - back to the result list - or Neste treff - next result.
- ◆ Lower left: "Tillatelse - Permission" Permission is only to stream for private use.
- ◆ Now use the icons below.
