Copy verbatim on this form the information you find in the various records or books as you do your research. (You will find differences in records.) Make a separate sheet for each search or each name or family on your line found in a search. Then, after information has been extracted from all sources, you may easily make comparisons of statements, judge value of each, and record correct data on a permanent form such as A1, F1, F3 or F6. See The Sixth Edition THE HOW BOOK FOR GENEALOGISTS for additional suggestions regarding the use of this sheet.
